Singh Shri Suraj

Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the terms and conditions for telephone connections under the privilege quota;
- (b) the time limit fixed for providing telephone connection under MPs quotas and action taken against officers in case of failure; and
- (c) the details of telephone connections regarding date of recommendation, date of connection, date of registration on priority basis in telecommunication district of Begusarai, Khagaria and Samastipur in Bihar?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD)

(a) Sir, the terms and conditions for telephone connections under privilege quota of MPs are as under:

(i) Every Member of Parliament is entitled for out of turn quota of 100 telephone connections in a calendar year. M.P.s who are Members of the Consultative Committee for Ministry of Communications or of the Standing Committee on Information Technology are, however, entitled for a quota of 200 telephone connections in a calendar year.

(ii) An M.P. can recommend provision of out of turn telephones in the area as under:

- (1) Lok Sabha MP - within his/her Parliamentary Constituency
- (2) Rajya Sabha MP - within the State represented by the MP
- (3) Nominated MP - anywhere in the country

(iii) Hon'ble MPs in their recommendation letter are required to give a statement / certificate that the concerned individual is in urgent need of telephone connection.

(iv) The out of turn telephone connection is to be given only to the persons who are included in the current waiting list.

(b) A time limit of 30 days has been prescribed for installation of out of turn telephone connections recommended by Hon'ble MPs from their quota subject to technical feasibility. Constant monitoring at various levels is being done for executing the sanction orders. Normally, provision of such telephones is not delayed except for reasons of technical non-feasibility or subscriber reasons.

(c) The details regarding date of recommendation, date of provision of connection and date of registration on priority basis in respect of connections under M.P. Quota provided during the calendar years 2004 and 2005 (upto 30.4.2005) in the districts of Begusarai, Khagaria and Samastipur in Bihar are given in Annexure-I. Details of pending connections as on 30.4.2005 in these districts are given in Annexure-II.
